18 March 2020

Dear Parents/Carers

In line with updated Government guidance on social distancing measures, the school has taken the decision to cancel its work experience programmes for all student until further notice.

A letter has been sent to all employers, informing them of the decision to cancel Work Experience, indeed, some of our students have already been notified that their placements have been cancelled.

We understand that students will be disappointed but we must comply with Government guidance.

Yours sincerely

Helen Richardson
Careers Coordinator
