

Improvement Priorities (2018-2023)

- To develop our learning culture further in order to produce highly successful learners, students and staff, across the school – “excellence for all”
- To ensure that the expansion of Icknield Community College over the next 5 years is managed carefully and considerately enabling the school to maintain and grow its successful existing culture
- To consider carefully what education may need to look like in 2050 and how this might impact on the above

Improvement Priorities 2021-22

- To develop our learning culture further so that all students fully engage with and take full responsibility for their learning
- To develop the quality of teaching in order to improve further our students' abilities to learn effectively
- To ensure that our curriculum design at every level leads to excellence in terms of student learning
- To ensure that ICC is a centre of excellence for leadership development
- To provide the highest quality of pastoral care to support the wellbeing of all students in the school
