Key concepts	Students will: <ul style="list-style-type: none">- reflect on the qualities of good friendships and relationships- explore ways of preventing bullying- develop their ability to be resilient	Students will: <ul style="list-style-type: none">- learn about features of businesses- develop their own business proposal- present their proposal	Students will: <ul style="list-style-type: none">- learn about puberty- investigate the features of healthy lifestyles- reflect on their own lifestyle	Students will: <ul style="list-style-type: none">- examine different types of media- explore the impact of technology and the media on our lives- reflect on how to use technology well
Assessment Type	In Citizenship, students are not formally assessed with Assessment and Feedback sheets. Instead, they are assessed across the course on a range of skills, including their ability to articulate and present their ideas, to support their points with factual evidence, to explain their reasoning, to listen to others, and to critique different points of view.			

Students also have Careers lessons throughout the year, in which they explore future Careers options and develop their own Careers portfolio using the website GroFar.
