

# Icknield Community College: Citizenship Year 9

Term	Rotation 1	Rotation 1	Rotation 2	Rotation 2
<b>Unit Titles</b>	How can we have good mental health?	How can we get qualified and gain experience?	Why do some people still experience discrimination, and what can we do?	How can we make informed choices about relationships?
<b>Key concepts</b>	Students will: <ul style="list-style-type: none"> <li>- learn about the symptoms and treatments for a range of mental health problems</li> <li>- gain awareness of the support available for those suffering from mental health problems</li> <li>- develop strategies for promoting good mental health</li> </ul>	Students will: <ul style="list-style-type: none"> <li>- learn about different career pathways</li> <li>- investigate the importance of STEM subjects</li> <li>- reflect on their GCSE choices</li> </ul>	Students will: <ul style="list-style-type: none"> <li>- reflect on the types of discrimination experienced by particular groups today</li> <li>- learn what the law says about discrimination</li> <li>- consider how to prevent discrimination from occurring</li> </ul>	Students will: <ul style="list-style-type: none"> <li>- reflect on the qualities of happy and healthy relationships, including LGBT relationships</li> <li>- learn about different types of contraception</li> <li>- develop strategies for making positive choices in their own lives</li> </ul>
<b>Assessment Type</b>	In Citizenship, students are not formally assessed with Assessment and Feedback sheets. Instead, they are assessed across the course on a range of skills, including their ability to articulate and present their ideas, to support their points with factual evidence, to explain their reasoning, to listen to others, and to critique different points of view.			

Students also have Careers lessons throughout the year, in which they explore future Careers options and develop their own Careers portfolio using the website GroFar.
