| Assessment Type | <p>In Citizenship, students are not formally assessed with Assessment and Feedback sheets. Instead, they are assessed across the course on a range of skills, including their ability to articulate and present their ideas, to support their points with factual evidence, to explain their reasoning, to listen to others, and to critique different points of view.</p> | | | | | |

Students also have Careers lessons throughout the year, in which they explore future Careers options and develop their own Careers portfolio using the website GroFar.
