## Beyond Lessons

Criteria	1	2	3	4	Next Steps/Comments
I reflect on what I learn during lessons and what I find difficult					
I go over what I find difficult outside of lessons and finish off any incomplete work where relevant					
I organise my knowledge outside lessons and have a revision plan which helps me consolidate my learning					
I read around subjects and research topics further to actively develop my learning from lessons					
I make connections between learning across my subjects and through the independent study I carry out					
I apply my learning in real-life situations in order to understand and appreciate its relevance
