Dear Parent/Carer

We are currently in the early stages of assessing the viability of running **free tutoring sessions** for a small number of selected students. These sessions would run outside of school hours, most likely via Teams, for a block of up to 15 hours. In most cases these sessions would be run by school staff, however there is a possibility that there might be a need to use external tutors.

In order for us to understand the demand for such sessions, please could I ask you, together with your son or daughter, to take a minute to complete this very short [questionnaire](#). Please could I ask that you complete this by Monday 27th June.

Your feedback will be used to inform the tutor requirements for each subject and the overall practicability of this project and does not guarantee entry into this tutoring programme.

Yours faithfully

Charlotte Gibson
Assistant Headteacher
