### **Camps International: Costa Rica**

Dear Parent/Carer

I am pleased to inform you that Camps International have confirmed the flight details for the Costa Rica expedition. Students will be flying from London Heathrow on **17<sup>th</sup> July 2023** and will be returning on **13<sup>th</sup> August 2023**. Further details can be found on the Traveller Gateway.

Please can I also remind you to check your child's passports as it is a requirement to have 2 empty pages for visas and must be valid for **at least 6 months after the date of return**. This means students passports must be valid past **13<sup>th</sup> February 2024**. If your child's passport doesn't meet these criteria, it is strongly recommended to start the process of renewing their passport as soon as possible to avoid any delays. Students whose passports do not meet the above requirements will not be able to travel.

Whilst you will have already provided Camps International with medical information, please could you also make sure to alert the school to any medical changes including allergies and medication as we have been asked to cross reference our medical records with the details given to Camps International to make sure that they are comprehensive and accurate. Please contact the Finance Office ([finance.office@icknield.oxon.sch.uk](mailto:finance.office@icknield.oxon.sch.uk)) with any updates that we need to be aware of.

Yours faithfully
